

# Cleared Checks:

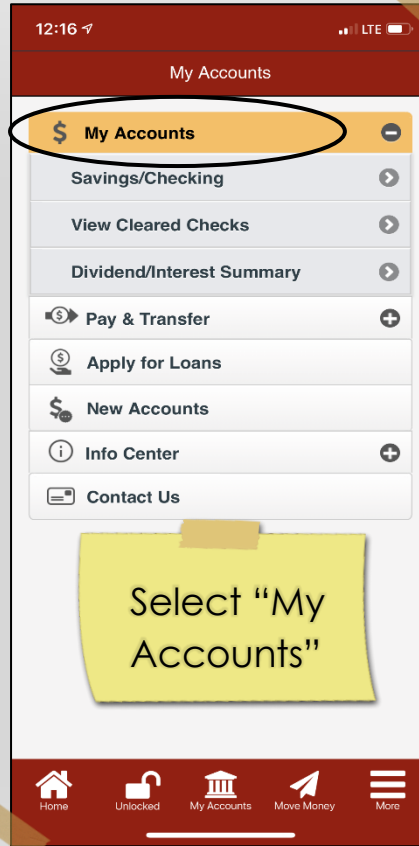

This feature allows our members to view the status of any check in question. In addition, members can also view an electronic image of their checks that have cleared their account.

Learn how to view your checks by following the steps below!

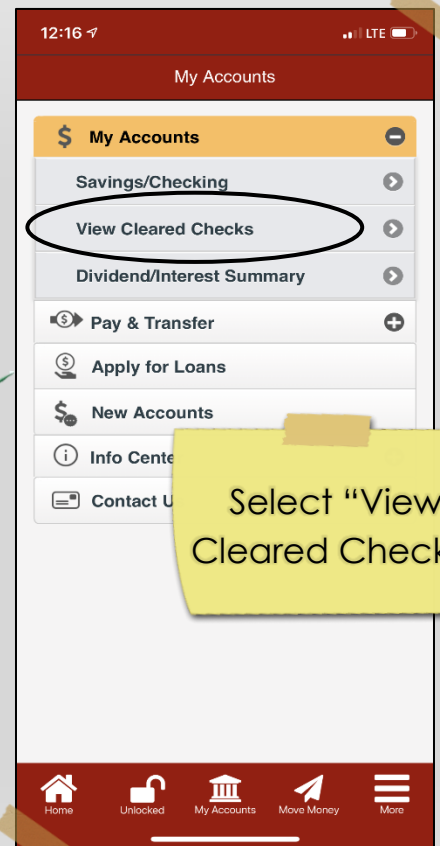

## Step 1:

## Step 2:

## Step 3:

**Select your Checking Account**

**Enter the check number that you would like to view**

**Select "Find Cleared Check"**

**By selecting this option, members can view all checks that have cleared the account thus far**
