COLLEGE STUDENTS GET THEIR 1ST BIG "BRAKE"!!

Life is full of challenges today for our young adults. It has become almost a necessity for them to obtain a college education to find jobs and further their career paths. With this comes a lot of expenses, the cost of college, financing a vehicle to travel to college and the cost of automobile insurance to name a few.

BRCCU believes in the young adults in our community and wants to help to give them their 1st big "brake". We offer new or used vehicle financing to our college bound students with a qualified co-signer at a rate .25% lower than our already low auto loan rates.

Contact us for rates and details at 586-727-6855 or visit our website at www.brccu.com.
